LATE TELEGRAMS.

The Burning Question of the Moment.

October 24.—A demonstration of unemployed reservists, some unpaid by the War Office, has been held in Hyde Park. Lord Roberts, receiving the Freedom of Bournemouth yesterday, said that the employment of reservists was the burning question of the moment. He appealed for a helping hand from those who had done such excellent service for their country.

British Troops in India.

October 20.—Lord George Hamilton said that the correspondence regarding the conditions of service of British troops in India is incomplete. He expected shortly to get the final views of the Indian Government. As the War Office has already agreed to grant the French proposal for preferential import and export duties, the matter will be referred to arbitration.

The India Office.

October 23.—Mr. Richmond Ritchie, O.B., Private Secretary to Lord George Hamilton, has been appointed Secretary to the Political Department in succession to Sir William Lee-Warner.

Taxation of Indian Cotton Mills.

Mr. Richards, M.P., speaking at Finsbury, strongly advocated the abolition of the excise on Indian cotton mills and removing a standing monument for native agitators.

Algeria and Morocco

The Times correspondent at Fez states that the Algerian-Morocco Frontier question has been settled. France obtains the disputed districts. She has already occupied them, but the Sultan refuses to grant the French proposal for preferential import and export duties.

Samoan Question in Arbitration.

October 21.—It is reported at Washington that King Oscar of Sweden has arbitrated that the United States and Great Britain are liable for damage sustained by German subjects, due to the landing of their troops in the fighting with Samoa in Samoa. This decision implies that such landing was wrongful.

There are vehement American protests against the acceptance of this principle.

Lord Kitchener.

October 21.—General Lord Kitchener left Paris yesterday evening.

October 23.—General Lord Kitchener arrived in Rome this morning, and has visited the sights.

He is staying with Sir James Rennell Rodd.

He arrives at Assouan on the 31st October; at Khartoum on the 4th November; leaves Khartoum on the 12th November; visits the Blue Nile; will probably open the Gordon College; and embark for India on the 19th November.

GOVERNMENT NOTIFICATION.

INFORMATION has been received from the MILITARY AUTHORITIES that gun practice will be carried out daily (Sundays excepted) from St. Leonards and Belcheri Batteries in a North-Westerly and Westerly direction, and from Lyseum Batteries in a North-Easterly direction, from the 6th November, 1902, to the 6th March, 1903. Practice will commence each day at about 9 a.m. By Command, F. H. MAY, Colonial Secretary.

HONGKONG SHARE REPORT.

In their weekly share report dated 7th November, Messrs Benjamin, Kelly & Potts write:—

Banks.—Hongkong and Shanghai Banks have been looked at \$350, at which figure the market closes work, and more shares can probably be had. The sterling rate in London has slightly hardened and are quoted at 264.10. Nationals are procurable at 227.

Marine Insurance.—Unions remain steady with sales at \$490. China Traders have been bought and have further buyers at \$62. Canteons are weak at \$167.

Fire Insurance.—Hongkong Fire can be had at \$250 and China Fire are still offering at \$90.

Shipping.—Hongkong, Canton and Macao Steamships have changed hands at \$37, \$37, and \$37, and at the last mentioned price more shares can be obtained. The following telegram has been received from the mines, giving the result of the October election up to 10th November, 1902, at 12 o'clock noon, for the purpose of considering, and if thought fit, passing, the following Special Resolution:—

1. That the Capital of the Company be increased by the creation and issue of 60,000 New Ordinary Shares of \$1 each, with the sum of \$10 paid up on each, and that the Directors be empowered and authorised to accept surrenders of the present 60,000 Ordinary Shares of the Company of \$10 each on which the sum of \$10 each has been paid up, and that one New Share of \$1, with the sum of \$10 paid up thereon, be given in lieu of and in exchange for each old share of \$10 fully paid up, and that thereupon the said old shares be cancelled.

2. That of the remaining \$1 payable in respect of each of the New Shares, the sum of 50 cents be paid on the surrender of the old share, and that the remainder be called up (if necessary) and paid at such times and in such instalments as the Board may determine.

EDITORIAL COMMENT.

At the last meeting of
the Legislative Council,
OUR
SERVANTS.

Employers and Servants were read a
first time. This is the Government's
reply to the continuous clamour of the
general public for a remedy for the
growing evil of careless, insolent and
absconding servants. In the objects
and reasons attached to the Bill by the
Attorney General, it is stated that
'much inconvenience has been ex-
perienced by, and loss entailed upon,
employers by servants after engagement
refusing to enter upon service or having
entered thereon leaving their employers
without notice; absconding themselves
without leave; carelessly or negligently
or otherwise misconducting themselves
during the period of service; while
employers have been without any
practical remedy. This Bill supplies
the needed remedy by affording em-
ployers a summary means of enforcing
a contract of service while it safeguards
servants in respect of their wages, and
rights generally thereunder.' Whether
the new Ordinance will have the effect
of securing better domestic servants to
the public is a problem we do not set
ourselves to solve. Registration would
be a more effective method, because it
is not so much the punishment of de-
faulting servants that is desired as
reliable testimony of a servant's worth
and honesty before engagement. The
old maxim that 'prevention is better
than cure' is very appropriate in this
connection. It is only after the per-
fidious domestic has gone to 'Canton
more far' with his master's gold watch
and the household spoons and silver
ware that the poisonous nature of the
varmint is discovered; and too often the
local Sherlock Holmes is unable to
trace the delinquent or the property.
Under the new law, the employer has
power to prosecute the insolent, careless
or contract-breaking domestic servant,
and after an infinitude of trouble may
succeed in getting him fined or imprison-
ed. We say 'may succeed,' because
with a too conscientious Magistrate,
who is anxious to follow the strictly
legal rather than the more logical or
equitable course, Police Court proceed-
ings will only produce vexation to the
employer and grosser insolence on the
part of the native servants. We
welcome the Bill as 'an honest at-
tempt' to alleviate the worries of
the European employer of domestic
labour, but we doubt its efficacy. The
average European dislikes appearing in
Court to discuss his domestic woes. To
be effective, the proposed law should
have been directed to prevent police
court proceedings. As regards the
general question, apart from domestic
service, the Bill seems to meet public
requirements. In recent years, the sud-
den departure of clerks and skilled work-
men has caused much inconvenience in
the Colony. The punishment imposed
by the eighteenth clause of the Bill
might be increased, however, from \$100
and six months' imprisonment with
hard labour to imprisonment without
the option of a fine. The sudden
cessation of labour is often brought
about by guilds, or organizations of a
similar character, to which the payment
of fines would oppose no deterrent in-
fluence. It is necessary, to make the
law effective, that the punishment should
fall upon the guilty party. The only
difficulty we can see to imprisonment
without the option of a fine is the dan-
ger of depriving employers of skilled
workmen for a prolonged period. The
point, however, is worth consideration.

Foreign Capital in Japan.

The Hokkaido Colliery and the Kyushu
Railway Companies, which have so long
endeavored to introduce foreign capital
into Japan, are now reported to have
arranged with Messrs John Birch and
Company to the end that the London firm
shall grant the companies loans amounting
to eight and ten million yen respectively,
as soon as the Railway Mortgage Law
is passed by the Imperial Diet at its forth-
coming session.

A Gift to Missions.

The Honorable John Watanabe,
ex-Postmaster General of the United
States, who visited India last cold season,
has given a lakh of rupees to the educational
work of the Allahabad station of the
American Presbyterian Mission and has
promised further assistance as the work
develops. Messrs Preston H. Edwards,
M.A., and A. B. Allison, M.A., who have
been secured for College work have arrived
in Bombay and proceed at once to the
Jumna Mission, Allahabad.

The Activity of Mount Shirane.

Japan papers speak of a panic among
the people at Yumoto Spring, as a result of
recent signs of activity shown by Mount
Shirane. They are all preparing to move
out of what they consider a very dangerous
locality. Two policemen were despatched
from Utsunomiya to observe the condition
of things. They report that rumbling
sounds are still heard very frequently,
though of late there has been nothing
approaching an eruption.

Sterling Salaries for Officials.

The Unofficial Members of the Straits
Settlements Legislative Council protected
against the payment of official salaries on a
sterling basis. The Hon. C. Stringer said
he could not bring himself to regard quiet-
ly a scheme by which members of the Gov-
ernment service should be sufficiently pro-
vided for, whilst the other people who lived
and worked in Singapore were largely pre-
cluded from all chance of acquiring wealth
owing to the state of the currency. In
1897, it would have been possible to fix
the dollar on a 2/- basis. That opportunity
had been lost through the inaction of the
Government, and the subject now was of
immense greater difficulty owing to the
enormous number of British dollars put in
circulation since. If the larger scheme
could be settled, he believed that His Ex-
cellency's scheme was a very good one, and
would meet almost all cases, except perhaps
that, in his view, some of the salaries had
been somewhat liberally stated. In his
reply, Sir Frank Swettenham said, refer-
ring to the lost opportunity with regard to
a gold basis, that the Government were
not done what it ought to have done.
Did the Hon. member know that at the
time indicated the Chamber of Commerce
were almost equally divided? He thought
it was better they should get the sterling
scheme through now than leave it for the
future, and personally he trusted it would
be final.

PROMPT ACTION

The Blood is the source from which our
systems are built up, and from which we derive
our mental as well as our physical capabilities.
If the blood is diseased the body is diseased.
Sufferers from Scrofula, Scurvy, Eczema, Bad
Legs, Skin and Blood Diseases, Pimples, and
Sores of any kind are solicited to give Clarke's
world-famous Blood Mixture a trial to test its
value. Thousands of wonderful cures have been
effected by it. Sold everywhere at 2s. 9d. per
bottle. Beware of worthless imitations and sub-
stitutes.

STEARNS' COUGH CURE

speedy and effective. Wholesale from A. S.

LOCAL AND GENERAL.

The European Vintage
Messrs W. and A. Gilbey, wine mer-
chants, in their annual report, estimate
that the yield of the European vintage,
now concluding, will be 880,000,000
gallons. It is also stated that there is a
deplorable deficiency in the Rhine and
Moselle vineyards, and while the Burgundy
quantity is short, the quality is superior.

Lord Kitchener.

The Times in its valedictory articles
praises Lord Kitchener's rare constitutional
aversion to demonstrations and fuss, and
confidently assumes the continuance of that
happy state of affairs existing between the
Viceroy and the Commander-in-Chief in
India so admirably sketched by Lord
Curzon in his speech at the farewell dinner
to Sir Power Palmer.

Hospital Sunday.

The Offerings in St. John's Cathedral
on Sunday November 9, will be given
to the Alice Memorial and Netherall
Hospitals. Special Sermons will be
preached by the Venerable Archdeacon
Banister and by the Chaplain of the 'Sea-
men's Mission' (Rev. J. H. France). At
the Union Church (Rev. C. H. Hickling)
a special collection will also be made for
the local hospital fund.

Departure of the Welch Fusiliers.

The officers and men of the Royal
Welch Fusiliers have been busy all day
preparing for their departure. Orders
have been received to leave Hongkong and
they embark to-morrow on the chartered
transport *Wakool* for India. They are to
be stationed at the hill station of Chakrai.

Arrival of the Janet Waldorf Co.

The *Chungking*, from Australia, arrived
this morning with the Janet Waldorf Com-
pany, whose season begins at the Theatre
Royal on Monday, 17th inst., with *A Royal
Lounge*. A number of influential citizens went
out to welcome Miss Waldorf, extending
to the visiting theatricians a cordial greet-
ing. Miss Waldorf thanked them for their
kind expressions and good wishes, and
assured them that it gave her great pleasure
to return to Hongkong, of which she re-
tains the most pleasant recollections. Miss
Waldorf was the recipient of many hand-
some floral tributes. Mr Reule, the mana-
ger, Mrs. Ada Gov-Currier, Mr. Nerval
McGregor, and Mr. Harold Campbell, the
Musical Conductor, also exchanged greetings
of welcome. Two large lighters were brought
alongside to receive some twenty tons of
scenery, wardrobe, etc., which is required
for their big productions. The Company
consists of twenty-six members and all have
come to the Colony in good health. The
box plan opened at Messrs Robinsons to-
day, when the demand for seats was of a
most pronounced order.

Appointment to Mr M. Grote.

Mr M. Grote, of the firm of Messrs
Heemskerk and Grote, bill and bullion
brokers, has been offered and has accepted
the position of Joint Manager of the
Bremen Agency of the Deutsche Bank of
Berlin. Together with Mr Grote's nume-
rous friends and acquaintances in the
Far East, we congratulate him upon
his preferment to a responsible and
well-salaried position. The post he
is appointed to is considered one of
the 'plums' of the German banking
world. Mr Grote has long been a promi-
nent and highly-respected member of the
German community of Hongkong. He
came out to Messrs Melchers and Co. at
the end of 1873, and became a partner of
that firm in 1884. A few years later, he
became a shareholder in partnership with
Mr J. Y. V. Verduin and Sir C. P. Chater's
brother (since deceased), and in 1891 joined
Mr Heemskerk as a bill broker. During
his residence in Hongkong, Mr Grote has
done a good deal for the German com-
munity, and he was popular with all
nationalities. He filled positions in most
of the important Directorates in the
Colony, including the Chairmanship of the
Hongkong and Shanghai Banking Cor-
poration, and for many years has been a
Steward and Starter for the Hong-
kong-Jockey Club. He was Hon.
Counsel for Russia and Austro-Hun-
gary, and was decorated with the
Order of Franz Joseph for
Consular services and the Prussian Red
Eagle for services in connection with the
Paris relief and memorial fund. The Bank
not to be confused with the Deutsche-Asiatische
Bank here, though the Deutsche Bank has
a certain interest therein. The Deutsche
Bank of Berlin is also established in
London, is the foremost Bank of Germany,
is of very high standing, and has a paid-up
capital of £7,500,000 apart from large
reserves, &c. We again extend our con-
gratulations to Mr Grote, and wish him a
long and useful career.

Attempted Attack on an Empress.

A Tokyo telegram to the *Shimpo* says
that when Her Majesty the Empress of
Japan took her seat at the general meeting
of the Japan Red Cross Society on the 21st
ult., a man present was taken into custody
by the Guards of Honour on the steps lead-
ing to the Imperial seat, while attempting
to run at the Empress. The despatch adds
that the man was afterwards found to be a
lunatic.

Sir George Barker's Wedding.

At All Saints', Margaret Street (says
The World), Sir George Barker was married
to Miss Katherine Elwes, who looked par-
ticularly handsome in her soft wedding-
gown and train lined with silver. There
were four grown-up bridesmaids dressed in
yellow satin with white ribbons, black hats,
and bouquets of yellow chrysanthemums.
The two little train-bearers, both girls, were
also dressed in yellow. A reception was
held before Sir George and Lady Barker
left for their honeymoon.

Re-hearing Refused.

Mr Forrester, B.L., appeared before
Mr Hazeland at the Magistracy, to-day,
and asked for a re-hearing of the case in
which a Chinese messenger was sentenced
to six weeks' imprisonment for stealing
papers from the Government Offices. He
grounded his application on the amount at
which the paper was valued, \$9, and that
the evidence merely went to show that the
prisoner was in possession of the paper,
but not that he wilfully stole it. Mr Haz-
land took a note of the application, but
said he could not grant it.

The Russian Fleet.

The *Suez*, in an apparently inspired
article, urges necessity for Russia to build
two men-of-war for every one constructed
by Germany, whose naval development is
alarming both for Russia and England. In
view of the Anglo-Japanese Alliance, the
Russian fleet in the Pacific ought to be at
least five times as strong as it is now, and
in the Mediterranean Russia should be
able to protect her interests in the Levant.
The realisation of this programme would
cost a very large sum, but it is indispen-
sable if Russia is to retain the respect of
the other great maritime Powers.

Cross-Swearing.

Two gunners of the Royal Garrison
Artillery appeared before Mr Wolfe, at the
Magistracy, to-day, charged with behaving
in a disorderly manner outside the 'Sham-
rock, Rose, and Thistle,' and also with
assaulting two police constables. Four
witnesses were examined on either side,
and the evidence was exceedingly conflict-
ing. Mr Wolfe believed the police testi-
mony, remarking that the depositions of
the two of the defence witnesses whose
evidence was relevant were, to say the
least, unsatisfactory. He fined one of the
gunners \$10 and the other \$13.

Adam as a Bachelor.

An insight into the thoughts that pass
through the mind of the President of the
Divorce Court would be worth having. One
can hardly wonder, with his wide experi-
ence of the modern marriage contract and
its violation, at the following story in the
Teller.—Sir Francis Jone is a fine after-
dinner speaker and he made a most amus-
ing speech at the last dinner on board the
Orontea. One thing alone was missing
about the voyage. We were sailing in an
Eveless Eden, for there was not a single
woman on board. 'I have often regret-
ted,' he said, 'that Adam did not give us
his experiences as a bachelor.'
